

Martin Linge - Living Quarters
Samsung Heavy Industries (Total / Equinor)

Summary

Delivery of a 95-man Living Quarters facility, encompassing engineering, procurement, construction, and commissioning in Sweden, all completed within a 60-month delivery time.

Facility Scope

95 single man cabins. A Full service Living Quarters according to NORSOK requirements including dining facilities, recreation areas, change rooms, medical facilities, office, central controlroom, arrival area and helideck.

Delivery Model

Single Unit Delivery from Sweden. Engineering from our offices in Sweden. Fabrication of Module Sections in Gothenburg, Sweden. Assembly at Emtunga's integration yard in Arendal, Gothenburg, Sweden. Emtunga performed pre-commissioning of a fully integrated and functional LQ in Sweden and later supported the start-up offshore, after Hook-Up.
